School Supply Kits

Kits due in Fabens on July 27

At the end of July every year we conduct our **School Supply Kit Drive** for the children in Mexico. This gives us two weeks to sort and ship out to all the pastors across the River in Mexico.

We supply some 2000 students, depending on how many kits are donated.

Kits are prepared by grades listed below. The supplies go neatly into 2 gallon size or larger Ziploc type bags. Please put one of our label sheets inside each bag, clearly visible. (Labels on pages 2-4).

Mexico's children are only required to go to school through the 6th grade. But too many children "fall between the cracks" because their family is too poor to pay for tuition, uniforms, or supplies. If a family cannot afford these things, they can petition the Mexican government to exempt their children from school. Thanks to your generosity, we have seen many children advance all the way into university through the years! Praise the Lord!
